DETAILED ACTION

1 A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on September 13, 2004 has been entered.

2 Claims 32-36 and 38-69 are allowed.

STATEMENT OF REASONS FOR ALLOWANCE

3 The following is an examiner's statement of reasons for allowance:

Applicants aver that de la Mettrie (US 5,989,295) and the present application were subject to an obligation of assignment to, or were commonly owned by the same assignee, L'Oreal at the time the present invention was made. Therefore, de la Mettrie is not available as a reference under 35 U.S.C. 103(c). Further, applicants submit with this response a certified translation of the priority document (French Patent application No. 98/00258, filed on January 13, 1998) which antedates the prior art of De la Mettrie (US 5,989,295) and it is not available as prior art. Furthermore, the obviousness rejection over Aaslyng (WO 97/19998) and de la Mettrie (US 5,989,295) has been rendered moot because the comparative data submitted in the Declaration filed on 9/13/2004 is sufficient to rebut any case of prima facie obviousness of the claimed combination of ingredients. Accordingly, the claimed subject matter as a whole would not have been obvious to one having ordinary skill in the art of hair dyeing formulation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
